To Herman Davila – Illinois Police Coalition:

I'd like to personally thank you for your donation, it is greatly appreciated and will be put to great use for the program. I'd also like to thank you on behalf of all the instructors in the Juvenile Improvement Program. This first graduation for the Juvenile Improvement Program was a huge accomplishment for us and it is just the beginning of a wonderful program. We started out with the thirty-two youths and we graduated twenty-one of them and five are going to complete another five weeks which isn't a bad start; especially because more than half of the twenty-one who successfully completed want to come back and participate in the program as a team leader/mentor. This kind of outcome would not have been possible if we didn't have constant support. So again, thank you for your support, hard work and dedication to the community.

Sincerely,

A handwritten signature in cursive script that reads "Shannon Dickinson".
