Dear Robert,

On behalf of the Illinois Police Coalition, please accept the enclosed donation for \$3,000. I hope that this donation would alleviate some of your financial burden that you have incurred during your injury.

We at the Illinois Police Coalition have a desire to raise funds for causes just like yours. As our Motto states "For Policemen by Policemen", we hope that you and your family will continue to be supported by your fellow officers. May God bless you, and your family and we at IPC wish for a speedy recovery.

Fraternally

Herman R. Davila
